CURRICULUM

GENERAL INFORMATION

PARTICIPATION FEE

EUR 3.625

The registration fee includes:

- Catering services during the course (coffee stations and lunches)
- Social dinners on October 10 and 11 (at "Il Violino" and "Le Scuderie" restaurants)
- 1 anatomical specimen for every 4 participants (fresh-frozen, perfectly preserved to ensure ideal superimposition to living tissues)
- Hands-on injection of colored fillers into the anatomical specimen
- Hands-on anatomical dissection under the guidance of a tutor
- Hands-on treatment of a patient under the guidance of a tutor
- "MD Codes™ Foundation" pre-course Webinar
- Surgical/injection materials
- Certificate of participation
- Liability insurance

The course is reserved for graduates in Medicine and Surgery and in Dentistry and Dental Prosthetics

Participation in the Live Injection session will only be possible for colleagues with insurance coverage for practicing facial Aesthetic Medicine

The date of the "MD Codes™ Foundation" pre-course Webinar will be announced after registration and will be held on the Zoom platform
